2025 ANNUAL REPORT

STATE OF THE FOUNDATION

On behalf of the Revitalized Pearls with Purpose Educational Foundation Board, I am proud to share that our organization continues to advance its mission of partnering with schools and the community to provide educational and charitable resources to underserved children and families—enriching lives and opening doors to opportunity and success.

Since our humble beginnings in November 2018, RPWP has made a meaningful and measurable impact. To date, we have awarded more than \$76,000 in scholarships and book stipends to graduating high school seniors and invested over \$7,000 in educational programs serving students within the Cy-Fair and surrounding Independent School Districts. These investments represent more than financial support—they reflect our unwavering belief in every student's potential and our commitment to helping them thrive.

Our motto, “One Team, One Dream,” continues to guide our work and fuel strong collaboration with our faithful partners, sponsors, and supporters. As a volunteer-led organization, our ability to fulfill this mission is made possible through the generosity of our sponsors, the trust of our community partners, and the dedication and service of our members.

As we look ahead to a new year, we remain inspired by what we have accomplished together and energized by the opportunities that lie before us. I invite you to reflect on how you can continue to support and strengthen RPWP's mission—ensuring that our progress today becomes lasting impact for generations to come.

With gratitude and purpose,

PRESIDENT OF THE BOARD
